Who can attend	Anyone interested in early childhood, serving ages 0-5	Anyone interested in child abuse prevention, serving families with children 0-18	Anyone interested in child abuse prevention, serving families with children 0-18
Benefit of attending	Learn about developments in early childhood, review data that impacts agencies work, learn about funding opportunities, develop network contacts & provide input for needs assessments.	Learn about child abuse prevention activities, advocacy efforts, and develop network contacts.	Learn how to protect children by changing the culture to improve child welfare processes, practices, and policies and how implementing four key strategies; shared decision making, neighborhood networking, individualized course of action, and policy and practice change, can achieve desired results.
Purpose	The Adair County Early Childhood Committee is the standing advisory committee for the 4 R Kids Early Childhood Iowa Area Board. The Board may refer specific issues/tasks to the committee. Tasks may include but not limited to - provide expertise in fields of health, human services, early care and education; suggest public policy; provide guidance on community needs and issues; and advocate for the early childhood issues. Recommendations from this committee are presented to the 4 R Kids ECI Area Board for action.	Success 4 Kids Council is in Iowa Code section 235A.1 and is defined by 441 Iowa Admin. Code ch. 155. Success 4 Kids Council is obligated to meet regularly, assess the needs of their community, and propose funding for projects that will meet the local area's needs as they relate to the prevention of Child Maltreatment. The following representatives are to be included on the council and are required: Education and/or Early Childhood Education, Public Safety or Law Enforcement, Medical and/or Mental Health, Domestic Violence, Substance Abuse, and Parents.	Community Partnerships for Protecting Children (CPPC) is a community-based approach to child protection. Partnerships work to prevent child abuse, neglect, and re-abuse, safely decrease the number of out-of-home placements, and promote timely reunification when children are placed in foster care. Community members, professionals, and families work together to develop and implement local programs, services, supports, and policies that positively impact families and protect children from abuse.
