SWCC Contract Amendment Request (*action requested*)

Southwestern Community College is requesting a contract amendment due to Prevent Child Abuse Iowa changing the terms of the DHS contract. The amendment request is to allow for 20 Maternal Child Health visits performed by Adair County Home Care. The total 4 R Kids ECI funding grant does not change, but does change the work plan. It is consensus of the committee to recommend a contract amendment for Southwestern Community College at the next board meeting.

Preschool Transportation (*information*)

Deb provided an update with the preschool transportation. There have been challenges with getting everything in place with HIRTA. It was necessary to bring in the Director of HIRTA to move the project forward. Just recently, Dallas County Extension has issued a contract with HIRTA. There are more challenges in Warren and Dallas, than Madison County. It is possible very few children will be transported due to capacity issues of HIRTA. There have been no challenges with Southern Iowa Trolley. The transportation policy was modified to accommodate specific language at the request of HIRTA.

Review FY2013 Annual Report (*action requested*)

The committee reviewed the annual report, financials, executive summary and updates to the community plan. It is consensus of the committee to recommend approval of the FY2013 annual report at the next board meeting.

Meeting adjourned at 6:15 P.M. Kendalyn will be the reporter for the committee.
